

# Façades Practical Training & Installation

**ELITE**  
FASTENERS LTD  
Specialist Distributors to the Construction Industry

## Introducing the **NEW** Façade Training Centre.

fischer is now offering training and CPD seminars in partnership with Elite Fasteners at their new office - Westgate Trading Estate, Aldridge, Walsall, WS9 8FS.

Delegates will get ample opportunity to integrate with our Engineers on fischer's many years of fixing experience and dedication to product research & development.

### ***Facade Contractors:***

We offer detailed training on the science of fixings behind product installations such as potential problems with traditional methods and the advantages of advanced building envelope solutions.

### ***Designers and Engineers:***

We are running (CPD) Continuing Professional Development seminars dedicated to your area of interest including what influences the performance of anchors, design methodology and latest regulations.

## **fischer & Elite | Training Services**

TRAINING CENTRE · SEMINARS · CPD PROVIDER

### **GET STARTED TODAY, BOOK HERE!**

Discover more about correct specification of anchors, types and systems from one of the most experienced fixings manufacturers!

### **To reserve a training place...**

For further information on any of our training sessions please contact:

Ryan Haddock - 07702 213671 / ryan@elitefasteners.co.uk / Mark Ingram - 07968 320045 / mark.ingram@fischer.co.uk

- Please contact Ryan or Mark for availability on our full & half day courses
- Each training session can be tailored to accommodate busy diaries with flexible start & finish times to suit.
- Tea, coffee and soft drinks are available plus a light lunch is served inclusive for the full day courses.
- We are able to accommodate groups (up to 12 people) and individual delegates.
- CPD certificates given to all attendees of CPD Seminars, plus relevant brochures and marketing material.

These seminars are great knowledge building opportunities - get in touch NOW!
